“ Treat the earth well. It was not given to you by your parents. It was loaned to you by your children

Kenyan Proverb

Thank you...

This **many voices one world festival** would not have been possible today without the support of our funders. We would like to thank them along with all the people who have worked with us in various ways. Thank you for generously sharing your time, cultural knowledge, faith teachings and stories about your efforts to reduce your carbon footprints.

“ We must become the change we want to see in the world

Mahatma Gandhi

Photography

We're really happy that you've joined us today. We'd like to share today's event and the message about climate change with others after the festival. A photographer will be taking photos and video throughout the day to help us do this. If you would rather not appear in any photos, please do let us know.
